This gift card holder project is a great way to use up larger scraps. These mini envelopes or gift card holders are easy to make and the perfect way to personalize your gift! Materials listed create two gift cards.

Fabrics Needed

Outer envelope fabric
Lining fabric

One fat quarter
One fat quarter

Materials Needed

Legacy L-987 Fusible Fleece White
Snap or Velcro® closure

25cm
One set

Tools Needed

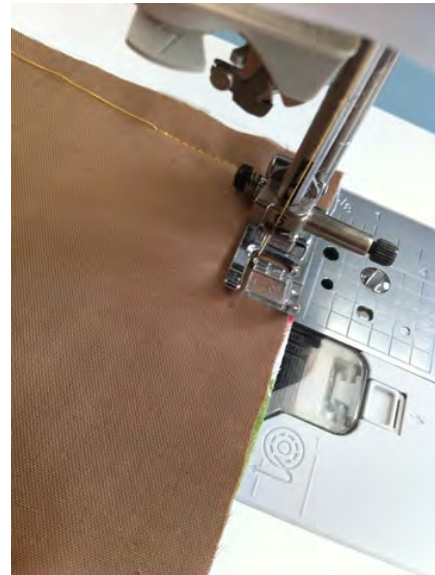

Sewing machine and related supplies
Rotary cutter and related supplies

Assembly

Step 1. Cut one $5\frac{5}{8}$ " x 9" rectangle each of the outer and lining fabric and Fusible Fleece.

Step 2. Press to fuse the Fusible Fleece $5\frac{5}{8}$ " x 9" rectangle to the wrong side of the outside fabric $5\frac{5}{8}$ " x 9" rectangle. Print the template on page 5 and cut out. Place the template on the outside fabric, aligning the flap with one $5\frac{5}{8}$ " end of the $5\frac{5}{8}$ " x 9" rectangle. Pin in place. Cut out on the solid black line. Do not cut the dashed line. Place the template on the lining fabric and repeat. Place the outside fabric and lining right sides together. Pin.

Step 3. Stitch pieces together using a $\frac{3}{8}$ " seam allowance starting on one long side at least 1" from the bottom $5\frac{5}{8}$ " end. Leave a $2\frac{1}{2}$ " opening for turning.

Step 4. Clip corners.

Step 5. Turn right side out.

Step 6. Push out corners for a professional look. Press flat.

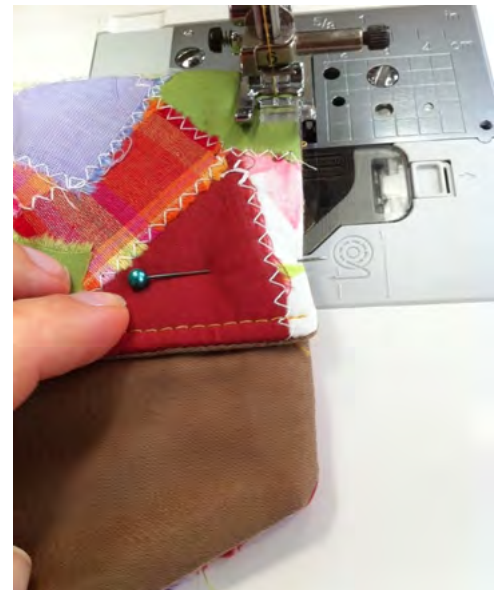

Step 7. Topstitch using a $\frac{3}{8}$ " seam allowance across the bottom straight edge.

Step 8. Fold the bottom straight edge up 3". Pin in place at sides. Make sure the $2\frac{1}{2}$ " opening is tucked in to the seam allowance on the side. Starting at the folded edge, stitch around the entire holder using a $\frac{3}{8}$ " seam allowance.

NOTE: Backstitching a few stitches at the top of the fold will reinforce the edge.

Step 9. Mark and attach snaps or Velcro® closure. Mark the snap placement on the flap first. Fold the flap to align and mark the other half of the snap.
