Assembly

Use 1/4" seam allowances throughout.

Step 1. Cutting instructions.

For Blocks

- Fabric A Cut five 1 1/2" strips
- Fabric B Cut four 1 1/2" strips
- Fabric C Cut twelve 3 1/2" squares

For Cornerstones

- Fabric A Cut eight 2" squares

For Sashing

- Fabric D Cut ten 2" x 9 1/2" rectangles

For Borders

- Fabric B Cut three 1 1/2" strips
- Fabric A Cut three 3" strips

Step 2. Use block strips to create block units as shown. Press toward the dark.

Step 3. Cut units into 1 1/2" strips.

Step 4. Sew strips into 9-patch blocks as shown, press to one side. Make fifteen blocks.

Step 5. Sew rows using the 9-patch blocks and the plain fabric C blocks as shown. Press towards fabric C.

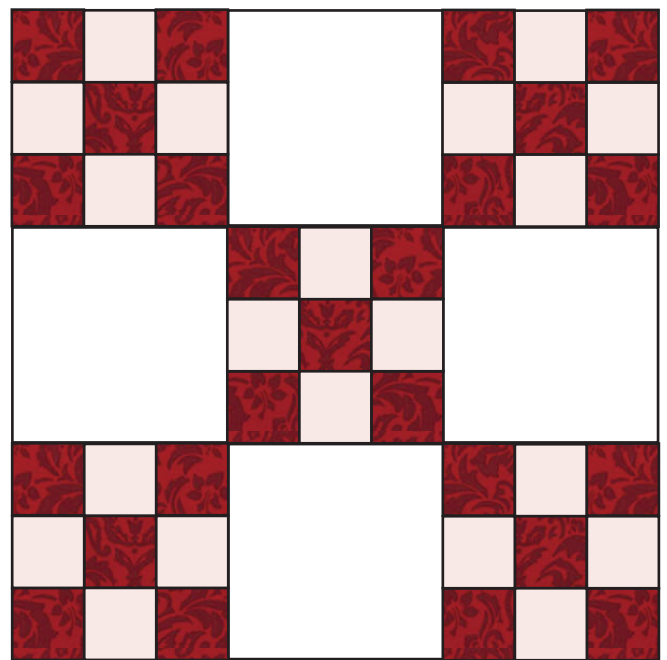

Make 6 of these rows

Make 3 of these rows

Step 6. Sew rows into block as shown. Make 3 blocks.

Step 7. Sew a sashing strip to the sides of each block, creating the center unit of the table runner. Press toward sashing strips.

Step 8. Sew sashing strips to cornerstones as shown. Make two.

Step 9. Sew the two sashing strip units to the top and bottom of the center unit as shown. Press towards sashing.

Step 10. Cut the 1 1/2" border strips into four pieces, two 1 1/2" x 12" and two 1 1/2" x 35". Sew the two short pieces on the ends of the table runner using a 1/4" seam allowance. Press outward toward the border (unless pressing towards white fabric).

Step 11. Sew the two longer pieces on the top and bottom of the table runner using a 1/4" seam allowance. Press towards the border.

Step 12. For outside border, cut two pieces 3" x 14" and two pieces 3" x 40". Sew the two short pieces on each end of the table runner as shown. Press outward toward the border.

Step 13. Sew the two longer pieces on the top and bottom of the table runner using a $\frac{1}{4}$ " seam allowance. Press towards the border.

Step 14. Cut the backing 17" x 41". Press. Place backing on table, right side down. Cut the Insul-Fleece™ and cotton batting the same size as the backing. Lay the Insul-Fleece™ on the backing first and smooth. Insul-fleece does not have a right or wrong side. Lay the cotton batting on top of that. Smooth carefully. Place the table runner on top of the cotton batting, right side up. Smooth and pin all layers together

Step 15. Quilt all layers together, either in the ditch or by meandering.

Step 16. Make binding. Sew binding to quilt.

TIP: Insul-Fleece™ contains polyester which will melt at about 400°. Always add a layer of 100% cotton batting whenever an item as hot as 400° could be placed next to the Insul-Fleece™. The metallic mylar reflects and retains temperatures hot or cold. Do not use in a microwave.
